Master 8" Confined Space Ventilator w/ Attachable Duct Canister and 25ft Flexible Duct
MB-P0813-DC25

Product Description

The Master® MB-P0813-DC25 all-in-one ventilator, with included ducting and duct canister, will deliver fresh air to any area in need. Whether you need fresh air for work in an enclosed space, to cool off a hot basement, or if you need extended mold and mildew remediation, our ventilators are the ideal solution.

All Master ventilators and ducting are built to endure over time, with heavy-duty construction and an ergonomic, portable design.

Features

Yellow for high visibility and increased safety

25' single-ply PVC vinyl-coated polyester ducting included

Lightweight for easy portability and stackable to save storage space

Industry-leading dual-wall polyethylene housing
