Master 20" High Velocity Floor Fan
MAC-20F

Product Description

The Master® MAC-20F high velocity floor fan delivers fresh air quickly to localized spaces.
Great for spaces with or without air conditioning, this floor fan can take the edge off of your monthly energy bill by allowing you to use the A/C more sparingly.
And with our efficient direct drive design, you'll conserve even more electricity. It also has three speed settings and features a heavy-duty, all-metal construction.
Whether it's a warehouse, garage, barn, or a crowded summer gathering, the MAC-20F high velocity floor fan is an efficient way to cool all types of spaces.

Features

3 Speed settings

Heavy-duty all-metal construction

Tilt-angle head for directional airflow control
